This program is designed for students who have identified and documented learning difference(s). School personnel along with parental consultation, determine individual needs for all accommodations. The SOAR program is provided for a fee to support students who have learning differences such as, ADD, ADHD, Dyslexia, or other medically diagnosed health impairments. Due to staff and resource limitations, RCBA cannot guarantee the implementation of an Individual Education Plan (IEP) recommended by another school or other educational diagnostic sources.

Horizon Fees -

\$100 Assessment Fee

\$100 Participation Fee/ year

The Horizons program is designed to provide additional educational enrichment and support for students who perform at or show strong potential to perform at a high level of accomplishment in intellectual, creative, leadership, or specific academic fields. While every child has incredible potential and many are excellent students, the Horizons program is designed to meet the educational needs of exceptional students who would benefit from a specific type of tailored curriculum and instructional programming.

RE-ENROLLMENT PROCEDURES

Re-Enrollment Criteria

- ◆ Tuition, fees, and other account balances must be current before Re-Enrollment.
- ◆ Students must have maintained an overall grade of 70 or higher or they will either be placed on academic probation the following fall semester, or not be allowed to re-enroll.
- ◆ Students must have demonstrated a cooperative attitude toward their school work, the faculty and staff, the rules and policies, and toward their peers.
- ◆ Families must demonstrate a continued commitment to spiritual growth by being a recognized attender/member of a local church.

Re-Enrollment Steps

- 1) To request Re-Enrollment, families will use their RenWeb account and complete an online Re-Enrollment packet.
- 2) Families will be asked to submit a current pastoral recommendation form, which is part of the online Re-Enrollment packet. (Pastoral email address will be asked for during the online process, and recommendation forms will be sent automatically).
- 3) All online Re-Enrollment packets are dated and will be reviewed by Administration before enrollment decisions are granted.
- 4) In some cases, Re-Enrollment will be granted immediately, in others, additional steps to the Re-Enrollment process will be required.
- 5) It is important that families begin the online Re-Enrollment as early as possible, as some classes may fill to capacity. In order to be in best standing for Re-Enrollment, all above criteria must be met and all online requests for information must be received. Re-Enrollments will then be assessed in the order in which they are received. A waitlist will be created for grades which reach capacity.
- 6) Once an offer of Re-Enrollment is extended, families will be billed either the Early Re-Enrollment Fee, or after the early enrollment deadline, they will pay the regular Enrollment Fee.
- 7) Tuition and Fees will be billed through your FACTS account beginning in July, or immediately upon enrollment thereafter.

Financial Assistance

Financial aid is available on a limited basis. An application for financial assistance must be re-submitted each year, and financial assistance is not guaranteed.
