

River City Believers Academy Preschool

2012-2013

Dear Parents,

We are excited about your interest in River City Believers Academy Pre-K 3 and 4 programs. Our preschool is a great educational program in which interactive, early childhood practices are put into place. Your child will learn through play, small and large group interactions, circle time, as well as many other methods of instruction. In addition to weekly Bible lessons, our program implements Bible based learning within all daily activities. We enjoy celebrating each milestone of our students' growth; therefore, throughout the year we have several holiday and special programs to display our new knowledge. We are excited to partner with you as we educate your children for God's glory!
