International Student Application Process – River City Believers Academy (RCBA)

- Application Submission
- All new students must complete an application to attend RCBA. To begin, please visit our website at www.rcbaonline.com/admissions. A non-refundable application fee of \$250 and all required documentation must be submitted along with the application.
- English Proficiency Requirement
- Applicants must demonstrate proficiency in English—speaking, reading, and writing.
- Recommendation Letters
- RCBA requires both a Pastoral Recommendation and a Teacher Recommendation for each applicant.
- Required Documentation
- It is the responsibility of the parent or legal guardian to ensure that all documents are submitted with the application. Any document that requires translation must be translated at the parent's expense and must include an official or notary seal. Required documents include, but are not limited to:
 - Copies of standardized test scores and report cards from the last two academic years, translated into English and converted to U.S. credits.
 - For high school applicants, report cards from 8th grade through the current grade.
 - Any current diagnosis that may impact the student's academic performance.
 - Documentation of any academic, speech/language therapy, or other services currently being received.
 - A copy of the student's birth certificate.
 - A copy of the student's Visa.
 - A copy of the student's current immunization record (must be in English).
 - Accurate email addresses for both recommendation forms. You will receive an email confirmation once each is completed.
- Power of Attorney (if applicable)
- If the student will reside with someone other than their parent or legal guardian, a notarized Power of Attorney must be submitted with the application.
- Credential Evaluation
- Once all documents are translated, the parent or legal guardian is responsible for submitting them—at their own expense—to the Foreign Credentials Service of America for evaluation.
- Interview Process
- After receiving the full application and all documentation, RCBA will review the materials. A Zoom interview will be scheduled with the Head of School, the applicant, and the parents. If the student will live with a host family, they should attend the interview in person. A decision on acceptance will be made following the interview, and a screenshot of the student will be taken at that time.
- Enrollment Completion
- Upon acceptance, the student's enrollment packet must be completed, including selection of a tuition payment plan. A non-refundable \$600 enrollment fee is also required to finalize enrollment. Students may not begin attending class until payment is received and verified.
- Student Visa Requirement
- Once enrollment is finalized, RCBA will issue the I-20 form. It is the responsibility of the parent or legal guardian to ensure that the student enters the United States with a valid F-1 Student Visa.
